

Dear Client,

By this letter, we want to inform you about recent changes regarding Kosher Certification for TROPICS BEST products.

Kosher supervision at our facility will now be provided by KMD (*Kosher Maguén David*). KMD policy establishes that only the products which are packed directly in our installations can bear KMD seal; excluding the entire bulk product which is repacked in other locations outside our plant.

Product which is packed in our facility and labeled at a different location can make use of the seal if the product is not extracted from its package and manipulated.

KMD certification code for TROPICS BEST: K06470

KMD web page: <http://www.kosher.com.mx/kosher.php>

For further information, please contact:

A handwritten signature in cursive script, appearing to read "Lorena Vargas", is written in blue ink.
